

# Tick Free®

## All Natural Insect Control

Tick Free® is made from natural ingredients and can be used year round (southern states).  
Product does not cause discoloration.

### Concentrate

### Directions for 300 Gallon Truck Tank Sprayer.

1.28oz to make 1 gallon / 12.8oz to make 10 gallons / 128oz to make 100 gallons

Stir product in drum. Fill tank with water then add product. If using a tank stir/mix contents after adding product. We recommend spraying all grassy areas, under shrubs, up to 30ft of wooded areas, wood piles, leafy areas and anywhere on property where it is shaded and moist. Can also be sprayed directly on swing sets and patios. Apply every 30-60 days depending on severity of infestation. Contents of drum will make 5,500 gallons of ready to use and cover approx. 5,500,000 sq.ft. DO NOT DILUTE more than recommended. You and your customers will enjoy the pleasant scent of cedar and not worry about toxins or contamination. Yard can be used within 15 minutes. Also works on stink bugs, spiders, fleas, gnats (including sand gnats), chinch bugs and exoskeleton insects.

**Mist Blower: 8oz Per Gallon = 24oz Per 3 Gallon Sprayer.**
