

Deer Free®

Summer Armor™ Deer Repellent

Read thoroughly before applying this product. Deer Free Summer Armor is for flowers and shrubs. Do not apply to edible crops. Do not store below 32°.

Concentrate

Directions

Shake well. Pour 16oz of concentrate in a 1 gallon bottle. Fill with water to make 1 gallon. Pour into applicator. Spray on top and bottom of leaf to assure proper coverage. Allow to dry before watering or rain fall. For best results, apply every 7-10 days in growing season and monthly there after. Budding plants such as lilies and roses should be sprayed every 7-10 days all season long. Product can be sprayed early spring through the fall. When bottle is empty, rinse well with warm water. Makes 20 gallons and covers approx. 80,000 sq.ft. Do not apply this product if bees or other pollinators are foraging in the treatment area.

This product is not registered with US EPA as Garden Girls Repellents™ LLC represents that this product qualifies for 25(b) exemption under FIFRA.

CAUTION

Keep out of reach of children and pets. Gloves and eye protection recommended. In case of eye contact or prolonged exposure to skin, flush thoroughly with water for at least 15 minutes. If swallowed seek immediate medical attention.
